WHY YOU SHOULD USE A CREDIT UNION TO SAVE

Using a credit union, such as DoverPhila Federal Credit Union, is like joining a special club where everyone works together to help each other with money! Here is why it is awesome for kids like you:

- We are like your own club.** When you join DoverPhila, you are not just a customer—you are a member! That means you get a say in how things work, just like being part of a team.
- We help you save money like a pro.** DoverPhila makes saving money fun! You can open a savings account to keep your money safe while earning a little extra (like interest—think of it as a tiny reward for saving).
- We have local, friendly people who care.** The people at DoverPhila are local experts who want to help you learn how to take care of your money. They can teach you valuable things, like how to save for toys, games, or even big items like a bike.
- We offer family fun.** DoverPhila sometimes hosts fun things for members, like Youth Week and Boo Fest. We also offer special club accounts just for kids with cool rewards for saving!
- We help the community.** DoverPhila loves giving back to Tuscarawas County, like helping local schools and organizations. By joining DoverPhila, you are part of something that makes your community a better place.
- We grow with you.** As you grow up, DoverPhila can help you with bigger money goals, like building credit or buying a car or home. We are here for you every step of the way.

Think of your credit union as a money superhero, helping you save, learn, and grow—so you can reach your goals and have fun along the way!
