## MONEY SAVING TIP FOR KIDS

Did you know that even small savings can turn into something big? Try saving a little bit of your allowance, birthday money, or chore earnings each week. Put what you save in your DP's Kids Club account and watch it grow!

### HERE'S A FUN TIP:

Set a savings goal and draw a picture of what you are saving for. Keep it near by as a reminder to help you stay motivated. You'll feel proud watching your money grow!

## SPRING SCAVENGER HUNT:

Grab a pencil and see how many items you can find around your home or community. Each one can teach you a smart money habit!

### HUNT FOR THESE ITEMS:

- Something green (saving money helps grow your future!)
- A coin (every penny counts!)
- A piggy bank or savings jar (keep your money safe!)
- A flower or leaf (watch your savings bloom!)
- A receipt (track what you spend!)
- Something you could reuse or recycle (smart spending!)
- A book (learning is priceless!)

## WORD OF THE WISE FROM DP OWL

### WORD TO LEARN: MONEY

**EXPLANATION:** Money is something we use to buy things we need or want. It comes in different forms, like coins and bills. We earn money by doing jobs or chores, and we spend it on goods or services.

**EVERYDAY USE:** When you buy a toy at the store, you give the cashier money to pay for it.

**HANDS-ON TASK:** Ask your family if they have any loose change hiding around the house. Collect as many coins as you can and count them. How much money did you find? What could you buy with your newfound treasure?

**SECOND QUARTER INCENTIVE!** The second quarter saving incentive postcard is coming your way! Look for details on how to get a color craze bouncing putty (available while supplies last).

You're worth five cents, I know that!
