SMART HABITS START NOW: SAVE EARLY, GROW BIG!

Starting money habits early is like planting a tree—your money grows over time! The sooner you start, the bigger it gets. Even small steps—like saving coins in a jar—help build smart habits for the future.

THREE EASY MONEY HABITS:

1. **Save First:** Have birthday money or an allowance? Put a little in your piggy bank before you spend it.
2. **Make a Goal:** Want a new toy or game? Write down your goal and how much it costs. Saving is easier when you're working toward something cool!
3. **Track It:** Use a notebook or chart to see how your money grows. You'll be surprised how fast your coins add up!

QUICK QUIZ – WHAT KIND OF SAVER ARE YOU?

Pick the option that sounds most like you:

- A) I save everything!
- B) I save a little, but I like to spend too.
- C) I spend now and think later!

No matter which one you picked, you can always grow your money smarts. Start now, and future-you will thank you!
