2025 MEMBER & COMMUNITY IMPACT

DoverPhila returned \$2.6 million directly to members in 2025, marking its 31st consecutive year of member giveback and the largest bonus dividend in its history. Total dividends paid to members and the Tuscarawas County community reached \$15.5 million, surpassing last year's \$13 million.

The year-end bonus dividend reflects the value of credit union membership, including competitive loan and savings rates, expanded digital tools, free financial education, and long-term financial wellness programs. DoverPhila also rewarded youth members with \$15 dividends through its Kids Club and Savers Club accounts.

Beyond member benefits, DoverPhila invested more than \$200,000 in community initiatives supporting housing, health, education, and quality of life across Tuscarawas County. Contributions included major commitments to Friends of the Homeless, United Way of Tuscarawas County, Buckeye Career Center Foundation, and numerous local nonprofits.

The credit union also enhanced member convenience with new digital services such as tap-to-pay with debit cards, Zelle®, a website chatbot, and expanded shared branching and ATM access.

Looking ahead to 2026, DoverPhila remains focused on expanding member benefits, improving access, and strengthening its role as a trusted financial partner in the community. *Read the full article at www.dpfcu.org.*
