TVFM DONATION STATION CONTRIBUTION

We recently donated \$20,000 to the Tuscarawas Valley Farmers Market's Donation Station program to help expand access to fresh, locally grown food for area residents facing food insecurity. The contribution will support the program throughout the 2026 market season and strengthen efforts to distribute healthy produce through local food pantries and community organizations. Learn more at www.dpfcu.org.

The Donation Station initiative allows farmers market visitors to purchase fresh produce and donate it directly to families in need. In 2025, the program distributed more than 4,800 pounds of produce locally, and organizers hope to increase that impact to 25,000 pounds in 2026 with the help of community partnerships like DPFCU's investment. Learn more about the Donation Station at www.tvffm.org.
