

Youth Week 2024 Rules

- 1) Youth Week is Monday, April 22, 2024, through Saturday, April 27, 2024.
- 2) Members must be 17 years of age or younger to participate.
- 3) Participants **must** be a DP's Kids Club member or a Savers Club member. If members who have a regular savings or custodial account wish to participate, they must open a DP's Kids Club account or a Savers Club account.
- 4) A member **cannot** earn a bonus on a \$5 membership reward for a new account.
- 5) Participants have their deposit added to the deposit listing sheet each time they make a deposit if they want to participate. Each deposit represents an entry for a random drawing done at the end of Youth Week (one for Kid Club members and one for Saver Club members).
- 6) Qualifying deposits must be made to the savings account (Savers Club or DP's Kids Club), not a checking checking.
- 7) Deposits can be made as often as a member likes during Youth Week.
- 8) Deposits with an accompanying registration slip made during Youth Week qualify for a 10%bonus up to \$10 (deposited by DPFCU). A six-month hold is placed on all Youth Week deposits and bonuses in order to qualify for the contest.
- 9) Payroll deduction and direct deposits qualify, but are not included unless the member has the deposits added to the deposit listing sheet.
- 10) Online transfers or transfers made by phone are not eligible for the contest unless the member calls in and asks that for the deposit to be included.
- 11) Mail-in deposits are eligible, but a request for inclusion must accompany the deposit or it is not included. Deadline for inclusion is April 27, 2024. Deposits after this date are not accepted unless postmarked this date.
- 12) Random drawing winners (one Kids Club and one Savers Club) are picked at the end of Youth Week with members contacted the following business day.
